Subject: Follow-up to our meeting

Mr. Neustadter: I wanted to get back to you on the next steps we will take following the meeting on Wednesday. I hope that what transpired there has helped you. I will work with Dr. Kariya to put into writing the words that were expressed at the meeting. And I will work with Sister Rachel and our medical education staff to establish a geriatric lectureship in your father's name. I'll try to be back in touch as soon as possible.
