Subject: Re: Last Week's Meeting

I am working on the letter this week. The lecture approval (a formality) will come at the next medical education committee, which I think is in January. I'll keep in touch. Blair Eig

Dr. Eig,

Thank you again for setting up the meeting last week. As I told my friends, I felt a burden had been lifted. When can I expect to hear back from you about the proposed lecture series and letter?

Sincerely,
Al Neustadter
