

21 Q This section of notes. Now, did you see
22 Mr. Neustadter -- do you have a recollection seeing
0090

1 Israel Neustadter on March 26 at all?

2 A No.

3 Q Are you -- do you have a recollection of
4 meeting with Dr. Shamim in Mr. Neustadter's room on
5 March 26?

6 A I don't recall.

7 Q Has anyone informed you or are you aware
8 that Dr. Shamim has testified that he did meet with
9 you in Mr. Neustadter's room on March 26?

10 MS. KELLY: Okay. First of all, you know
11 that the only way he would have been informed of that
12 would have been by counsel, and so that is not an
13 appropriate question. And he's already said he
14 doesn't have any recollection of it. Period. And so
15 he's not going to answer that question at all.
